EURASIA CHAPTER

Iadwp Awards Project Sponsorship and Advertisement Program

IADWP originated 10-years ago as MeWed, curating conferences and trade shows for Destination Wedding professionals interested in increasing their knowledge of Mexico, Mexican resorts and Mexican vendors, so they could be more knowledgeable in assisting their clients. Today, as IADWP, we have grown to be the largest association of its kind offering international conferences, seminars, webinars and certification programs for its members to assure that they are always on the cutting edge of the industry. With 5,000 members from 20 Countries, we are pledged to raise the Industry standards and get the successful organizations recognized through IADWP Awards Competition

Hundreds of Wedding Professionals are going to be competing to be «the best of the best» on 16 different Wedding related categories to receive the most prestigious award on an exclusive Award Ceremony Awards Show to take place in Turkey between 16-19 May 2022
